

Albania Education Projects

After 50 years of communism and suppression of religious freedom in Albania, Islam was almost non-existent. Adults and children alike had no access to deeni education until Ulama from the UK began a tireless effort to revive deen in the country.

The Friends of Al-Imdaad in conjunction with Rahma Mercy UK and the Al-Imdaad Foundation has launched a campaign to establish **MADRASAHS** across **ALBANIA**.

Kindly assist them in this noble project and InshaAllah it will definitely serve as a means of Sawaab e Jaariyah for you.

MAY ALLAH REWARD YOU ABUNDANTLY FOR YOUR GENEROSITY AND KINDNESS.
